As part of our first vacation together, we did a quick zig down from Charlottetown in order to do this cache, Canada's First and Titanic. We enjoyed a brisk walk in and an easy find. What a great cache series concept.

Found this while on a geovocation with Garmin Gal, our first trip together. A beautiful walk through the woods on a crisp fall day. Took nothing, left Eduardo the Elephant TB. TFTC.

We are visiting from Newfoundland and had a great time finding geocaches in Nova Scotia. This is the first in this series I have logged, I hid the one for St. John's Newfoundland. Great cache we enjoyed answering the questions.

Took Canada Geocoin to place in Great White North Geotour - St. John's

Left nothing

Thanks for the cache  
Keith and Dianne

a short walk along a nice trail. Swapped Canada geocoins: dropped off a Canada geocoin that we picked up at "Great White North Geotour - Fredricton", and we'll move the one here to the "Great White North Geotour - Charlottetown" if we can.

Thanks -- really enjoying this series so far, even though this is only our second one!

Found the geocache but didn't see Halifax like we thought we would. Left geocoin.
